

We invite you to join us for our inaugural research workshop. We are delighted to welcome **Prof. Katherine M. Piderman (Mayo Clinic)** to share with us from her extensive experience as a Board Registered Chaplain, Psychiatrist and Theologian. Our morning session will focus on building research skills in Chaplaincy and our afternoon session on Katherine's own 'Hear my Voice' spiritual legacy project. Both sessions are particularly relevant for Chaplains but we strongly encourage other healthcare professionals to attend.

When - *Monday 6th May*

Where - *Belfast City Hospital, Ennis Room (Level D, Tower Block)*

Time - **Session 1** - *9.45am/12noon*, **Session 2** - *1.30pm/3.30pm*

Contact - *rosie_morton@yahoo.co.uk*

You are welcome to join us for the whole day, or just one session. Lunch provided. No charge. Please RSVP by April 29th.
